THE ROADMASTER DIFFERENCE

Turn the key of the 2009 Ambassador and prepare to experience the best-in-class performance of the Roadmaster chassis. Roadmaster is the only chassis manufacturer with a 100 percent commitment to only producing chassis for luxury motorhomes. In fact, every Roadmaster chassis is custom built for the exact model and floorplan. That means you'll enjoy a smoother ride, superior front-to-rear balance and unbeatable strength and reliability. We encourage you to take a few minutes to learn more about the many features that put Roadmaster in a class by itself.

SLIDE-OUT CONSTRUCTION:

When you purchase a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

9-LAYER ROOF CONSTRUCTION

(top to bottom)

- One-piece peaked fiberglass roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

ROADMASTER RR8R RAISED RAIL CHASSIS

- 1** The Ambassador features a gutsy standard Cummins® ISC 360 diesel engine with 1,050 lbs./ft. of torque.
- 2** A steel cage cockpit gives the Roadmaster chassis incomparable strength and safety in the front of the coach.
- 3** Every Roadmaster chassis features a steel firewall for added protection in the cockpit.
- 4** The main rails feature an exclusive raised rail design which provides for larger full pass-through storage bays with flush floors. Other highlights include a 3/8" thick frame rail — compared to the 1/4" of other manufacturers — and a stacked aluminum intercooler and radiator for optimum heat transfer and cooling.
- 5** Dual fuel fill allows you to fill the tank from either side of the coach, for greater convenience and flexibility at the pump.
- 6** This steel truss system is engineered as part of the chassis and provides outstanding strength and rigidity plus pass-through storage. In addition, the structure is pre-primed and coated with a rust-inhibiting paint.
- 7** Eight air bags work in conjunction with eight gas-charged shock absorbers to prevent road trauma from ever reaching the coach.

Ride height sensors continually adjust the air pressure at each axle to maintain a level ride and eliminate nosediving, weight transfer, and floating on curved roads. This system also stabilizes the coach on uneven surfaces.

8 Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control. The Anti-Lock Braking System (ABS) gives you superior stopping power, especially on steep grades. Together, these sophisticated systems offer the very best safety on the road.

9 Allison® 3000 MH 6-Speed World Transmission and electronic shifter. The three-point engine mounting system lowers the coach's center of gravity and reduces the amount of vibration that reaches the coach. The mounting also makes the engine easier to service.

A 10,000 lb. tow hitch rating is the highest in its class.

5-LAYER FLOOR CONSTRUCTION

(top to bottom)

- Structurwood™
- 1-1/2" x 1-1/2" square tubular frame
- High-performance thermal insulation foam
- Luaun
- 3-Ply Backer

COLORS AND PATTERNS IN PERFECT HARMONY.

Leave it to Holiday Rambler to give you the most enticing choices of exterior colors and interior decors. Choose the one that fits your style — from

boldly sophisticated to classic elegance. Then, put it all together with your favorite cabinetry selection, and you've created a masterpiece all your own.

STARDUST II

COCOA

NEWPORT CHERRY

CHAMPAGNE SELECT

UNMISTAKABLE QUALITY.

The hallmark of a Holiday Rambler is beautiful cabinetry with impeccable attention to detail. Raised panel hardwood doors provide a residential touch, while the decorative slide-out fascia trim adds elegance throughout the living areas. The storage spaces are as durable as they are attractive, with sturdy drawers and heavy-duty ball-bearing drawer guides.

TOPAZ

BETTER
STAIN
PROTECTION

Manufactured in, not added on. For added protection against stains, soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

BODY CONSTRUCTION: FEATURES

- Steel Cage Cockpit Construction
- Peaked One-Piece Fiberglass Roof with Fiberglass Insulation
- Panaview™ 1-Piece Front Windshield
- Front and Rear Molded Fiberglass Cap
- One-Piece Generator Access Door
- Electric Flush-Floor Stepwell Cover
- Dual-Head Power-Controlled Heated Exterior Mirrors with Turn Indicator Lights
- Side-Hinged Baggage Doors
- Interior Rubber Stepwell Storage Bucket
- One-Piece Polyethylene Pass-Through Storage Compartment
- Full-Length Wheel Mud Flaps
- 3M Film Front Mask
- Deluxe Full-Body Paint
- Roof Ladder
- Undercoating

OPTIONS

- Full Pass-Through Storage Bay Slide-Out Tray (Complete Pass-Through)
- Slide-Out Battery Tray
- Standard Run Package: 3-Camera Vision System, Storage Bay Slide-Out Tray, Slide-Out Battery Tray, Central Vac, Exterior Tank Monitor Gauges, Keyless Entry, RV Sani-Con

CHASSIS/ENGINE/SUSPENSION: FEATURES

- Roadmaster Raised Rail Chassis RR8R
- Cummins® ISC 360 Engine with Allison® 3000 MH 6-Speed World Transmission and Electronic Shifter
- Engine Displacement: 8.3L/506 Cu. In.
- Torque: 1,050 lbs./ft. Max. Net at 1,400 RPM
- Aluminum Rear-Mounted Radiator with CAC Cooler
- Dual Fuel Fill
- 160 Amp Alternator
- Rear Axle Ratio: 4:30-1
- Radial Tires: 275/70R/22.5
- Polished Aluminum Wheels
- Cushion Air Glide Suspension with Eight Outboard-Mounted Air Bags and Eight Shock Absorbers
- Anti-Lock Braking System with Full Air Brake
- Automatic Traction Control
- Variable Geometry Turbo Exhaust Brake
- Auto Stack Adjusters
- Prewire for Supplemental Braking System
- Engine Block Heater
- Automatic Hydraulic Leveling System
- 10,000 Lb. Hitch Receiver with Dual Connector 4-Pin or 7-Pin

COCKPIT: FEATURES

- Automotive Dash with Brushed Gray Instrumentation Panel
- In-Dash AM/FM/CD Stereo Radio with Sirius-Ready Compatibility, iPod Control, Aux-In-Connection, SD Card Slot and Weather Band
- Rear Vision System with LCD Screen
- Adjustable Brake and Accelerator Pedals
- Intermittent Windshield Wipers
- 4-Spoke Steering Wheel with Horn Pad and Logo
- Air Horns
- Ultraleather™ Six-Way Power Pilot Seat
- Ultraleather™ Six-Way Power Co-Pilot Seat with Powered Footrest

OPTIONS

- Sirius Radio Satellite System (Requires Subscription)
- 3-Camera Rear Vision System with LCD Screen
- GPS System
- In-Dash Driver's Message Center

APPLIANCES AND ACCESSORIES: FEATURES

- Norcold® 12 Cu. Ft. 2-Way 4-Door Refrigerator with Ice Maker
- High-Output 3-Sealed-Burner Cooktop without Oven

Fuel Tank	100	100	100

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the Holiday Rambler logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

HOLIDAY RAMBLER®
This is Living®

BEING DIFFERENT MAKES ALL THE DIFFERENCE.

Take a closer look, and you'll discover that Holiday Rambler, a brand of Monaco Coach Corporation, gives you more industry "bests" than any other RV manufacturer. Like the incomparable ride and handling of the Roadmaster Chassis. The convenience of our 350 service centers. The peace of mind of 24/7 roadside assistance. The value of Monaco Financial Services. And the online support of holidayrambler.com. At Holiday Rambler, we've built our reputation by listening to you — and answering to you. And that's the difference that's made us the best.

WARRANTIES

12 MONTH/24,000 MILE basic limited warranty

5 YEAR/50,000 MILE limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

3 YEAR/50,000 MILE limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.
